As a thank you to all of our supporters, please join us
Thursday, July 22 at 7 p.m. on the CHS grounds for
ZEKE-THE WONDER DOG!

Zeke is well-known to the MSU community for his acrobatic moves as he catches Frisbees during his performances at home football games during half-time. In fact, Zeke is the only non-human to have been awarded a varsity letter at MSU!

The original Zeke began performing at MSU in 1977. Today Zeke III, is a yellow lab just like the original with the same "athleticism and smarts," according to owners Terri and Jim Foley. Explains Jim, "When I first threw him a Frisbee, he

took off like a banshee and wouldn't let anyone else in the pack catch him. He just ran and ran."

Zeke III follows Zeke II, a black Labrador-pointer mix, adopted from a Humane Society who performed during half-time shows 2001 - 2007.

Cascades Humane Society

Tori, a 1 1/2 year old Rottweiler, was found in an abandoned building starving and injured. Tori's ears were severely frostbitten leaving them deformed after healing.

Sonny, a 1 year old Husky/Mastiff mix was found wandering the streets of Jackson. Left to fend for himself, Sonny was underweight and afraid.

Brutus was born after his mom was found as a stray. Brutus and 6 of his brothers and sisters were brought to CHS for the chance to start a happy and healthy life.

Tori, Sonny and Brutus came to Cascades Humane Society trusting we would help them find new families. Tori was adopted on 6/23/2010 and Sonny went home with volunteer dog walker Randy and his family on 6/10/2010. Brutus is still waiting for his fur'ever family to find him. We are able to help these animals because of your generous support. Thank you!

Below are gifts made in honor or in memory of beloved pets and people. A complete donor listing will be available with our Annual Report scheduled to be published this Fall.
