**MESSAGE FROM EXECUTIVE DIRECTOR**

Many people give to Cascades Humane Society in a variety of different ways each year.

Some give time, volunteering hours from their busy lives to serve on committees, helping in the shelter and interacting with the animals.

Some people give things - toys, treats, collars, leashes, gift cards - even flowers to enhance our CHS home.

Still others give financially, dropping change into donation canisters, sending checks, fulfilling monthly pledges and even including CHS in their estate plans.

All of these gifts are given from people like you, who are passionate about helping the animals.

I want to extend my heartfelt thank you for the role YOU play in the lives of so many animals who deserve a second chance at happiness. Together, WITH YOU, we are truly making a difference every day of the year.
