

Sponsorship Opportunities

In celebration of Cascades Humane Society's 10th anniversary of the Calendar Contest Fundraiser, we would like to make the stakes even higher by offering packages to the top 13 fundraisers for CHS! By offering a gift in addition to their pet being featured in the calendar, participants will be more inclined to raise funds, making this year, the anniversary, even more spectacular for the pets at CHS!

A donation item(s) or sponsorship from your business will go a long way toward making this year's Calendar Contest Fundraiser a success! We appreciate your support!
