

# How You Can Help the Shelter Animals

Birthday parties for children give us a great opportunity to show kids the power that one person has to make a difference in the lives of animals. We encourage guests to bring an item from the current CHS wish list to help us care for the animals in our shelter. In fact, some of our Birthday Celebrants insist that their guests bring gifts for our animals instead of for them!

# Celebrate your Birthday with CHS

“Connecting animals in need with  
people who care”

Children ages 6-12 are invited to celebrate their birthday with Cascades Humane Society! The celebration begins with a short presentation about all of the great things going on at CHS, and includes visits from a couple adoptable animals. Next, guests will make treats that they will then get to give out to lucky animals while touring the shelter. The last 45 minutes of the party is reserved for you to celebrate with your family and friends by serving food and drinks, opening gifts and whatever other ideas you have in mind for celebrating!
